

**PMSC/AmeriCorps
Education Activity Report**

Name _____ Region _____ Site _____

PMSC Education Objective

PMSC members will tutor or mentor students identified as at-risk or in need of learning support; organize or conduct service learning and community education activities; and assist in providing in-school and after-school educational enrichment activities for Head Start, K-12, college students, and adult students. 70% of students who participate in tutoring programs will have a documented improvement in academic skills in core subjects, and 70% of students who participate in other learning development activities will have a documented increase in applied knowledge or technical skills each program year.

II. Check in which capacity you served and answer the questions pertaining to that category:

Tutoring K-12:

| Mid Year Report | | End of Year Report | |
|--|--|--|--|
| # of students tutored | | Total # of students tutored for the year | |
| # of students showing improvement | | Total # of students showing improvement for the year | |
| Indicate in what subjects tutoring was offered | | Indicate in what subjects tutoring was offered | |

What tool did you use to measure your results? _____ (pre/post test, rubric, etc.)

Attached a sample of your measurement tool to **mid-year report**

I confirm that I have at minimum a 2 year college degree or I have passed and provided the PMSC with the results of a proficiency test

Mentoring:

(Number of relationships established between an older or more experienced person and a younger or less experienced person for the purpose of academic, social, or career support.)

| Mid Year Report | | End of Year Report | |
|---|--|--|--|
| # of individuals mentored | | Total # of individuals mentored for the year | |
| # of individuals showing improvement if <u>Behavior</u> was the measurement | | Total # of individuals showing improvement in <u>Behavior</u> for the year | |
| # of individuals showing improvement if <u>Skill</u> was the measurement | | Total # of individuals showing improvement in <u>Skill</u> for the year | |
| Indicate general age group you worked with | | Indicate general age group you worked with | |

What tool did you use to measure your results? _____ (pre/post test, rubric, etc.)

Attached a sample of your measurement tool to **mid- year report**

Education Activity Report**

Organized or Conducted Service Learning Activities:

(Service learning is an educational method by which participants learn and develop through active participation in service that is conducted in and meets the needs of a community.)

| Mid Year Report | | End of Year Report | |
|--|--|---|--|
| # of students involved in your service-learning activity | | Total # of students involved in your service-learning activity for the year | |
| # of students who indicated an increase in skill levels | | Total # of students who indicated an increase in skill levels for the year | |
| Indicate grade level of students involved in activities | | Indicate grade level of students involved in activities | |
| Describe Activity | | Describe Activities | |

What tool did you use to measure your results? _____ (pre/post test, rubric, etc.)

Attached a sample of your measurement tool to your mid-year report

Educational Enrichment Programming:

| Mid Year Report | | End of Year Report | |
|--|--|---|--|
| How many programs did you present? | | How many total programs did you present? | |
| What topics did you present? | | Any additional topics presented? | |
| # of K-12 students participating | | Total # of K-12 students participating for the year | |
| # of adults participating | | Total # of adults participating for the year | |
| # of individuals who indicated an increase in skill levels | | Total # of individuals who indicated an increase in skill levels for the year | |

For what school(s) or organization(s) did you present? _____

What tool did you use to measure your results? _____ pre/post test, rubric, etc.

Attached a sample of your measurement tool to your mid-year report

Education Activity Report**

Volunteer Recruitment

Volunteers are individuals recruited or directly supervised by AmeriCorps members who help the program achieve its community service objectives. They are additional volunteers, new to the program or activity, whose contributions the AmeriCorps members make possible. They are not program partners, advisory board members, or staff. Report individual volunteers only once per program year. If you reported a volunteer in the mid-year report, do not report that person now.

| Mid Year Report | | End of Year Report | |
|--|--|---|--|
| # of volunteers recruited or supervised | | Total # of volunteers recruited or supervised for the year | |
| # of hours volunteers served | | Total # of hours volunteers served for the year | |
| # of volunteers polled who answered "yes" to questions on roster | | Total # of volunteers polled who answered "yes" to questions on roster for the year | |
| | | | |

Describe the service activities of the volunteers:

| Mid-Year Report | End Of Year Report |
|------------------------|---------------------------|

Great Stories

Do you have any unique stories that we can share for possible recognition or publication with the Corporation For National Service? If so, **please email story of 250 words or less to pmsc@pmsc.org**. Please put "great story submission" in the subject line.

Please attach 2 copies of any printed media coverage with any reference to AmeriCorps or PMSC highlighted. Also, highlight name and date of publication.

The Following Information Will Only Be Collected For The End Of Year Report

Professional Development

Please list any trainings, workshops, or conference opportunities that your *service site* provided to you:

Do you feel that the training(s) increased your personal/professional skill development and will have practical application beyond your AmeriCorps service? ___ Yes ___ No

PMSC/AmeriCorps Education Activity Report

| Types of Leveraged Volunteers | | |
|------------------------------------|---|--|
| Disadvantaged children and youth | Number of disadvantaged children /youth serving as leveraged volunteers ...such as youth up to age 25 with special and exceptional needs, or who are economically disadvantaged and for whom one or more of the following apply: 1) out-of-school youth, including those unemployed; 2) in or aging out of foster care; 3) limited English proficiency; 4) homeless or have run away from home; 5) at-risk to leave school without a diploma; and 6) former juvenile offenders or at risk of delinquency. | |
| Baby Boomers | Number of individuals born between 1946 and 1964 who serve as leveraged volunteers. | |
| College students | Number of individuals enrolled in a degree-seeking program at a community, professional, or technical college, or within an undergraduate or graduate program at a college or university who serve as leveraged volunteers. | |
| Disaster preparedness and response | Number of leveraged volunteers that served under the leadership and coordination of AmeriCorps programs on disaster services projects. | |

| Populations Served | | |
|------------------------------------|---|--|
| Disadvantaged children and youth | Please provide number of disadvantaged children and youth (see definition above) being served. | |
| Children of incarcerated parents | Number of children and youth up to age 25, who have one or both parents or legal guardians serving or having served a period of time in jail and/or prison. You are only expected to report the number of children of incarcerated parents served by programs designed to work with this population. | |
| Individuals Mentored | Number of relationships established between an older or more experienced person and a younger or less experienced person for the purpose of academic, social, or career support. If your program supports mentors who work with multiple mentees, please report total number of individuals mentored. | |
| Independent living services | Number of clients receiving independent living services, including respite care, to help them live independently in their homes in community-based settings. | |
| Disaster preparedness and response | Number of local disasters to which you have responded | |
| Disaster response | Number of individuals affected by disaster receiving assistance from your efforts. | |
